WHAT CLIENTS HAVE TO SAY

Unlocks potentially MILLIONS OF DOLLARS in revenues.

Greg Schinkle, President, Unique Training Development

The most HELPFUL & SIGNIFICANT session of the entire CAPS convention. (Canadian Association of Professional Speakers).

Donald Cooper, International Management Consultant & Business Speaker

There's PROOF positive that IT WORKS because there's a mindshift that happens...

Sundil Godse, Productivity Expert, Author of *Gut! and Fail Fast. Succeed Faster.*

...very KNOWLEDGEABLE, relatable and able to explain things in a way that everyone both understood and found FUN. My staff have repeatedly brought up her presentation since.

Anthony Crage, Director of Purchasing - SPUD.COM

I have suggested to our Head Office team that it be viewed as THE STANDARD for how a successful training session should go!

Nathan Froese, Assistant Store Manager & Grocery Manager - Community Natural Foods

When Nathalie steps into a room her infectious CHARISM, high ENERGY and ENGAGING personality captures attention... her ability to connect with the audience on both a professional and personal level.

Jen Langan, Western Sales Manager - Indigo Natural Products

I loved the TECHNIQUE: "I used to... Now I am..." Thanks a million for that shift!

Sylvia Plester-Silk, On Purpose Consulting

I learned how to have the skills to reframe my LIMITING BELIEFS to a statement that I believe in. Thank you for reminding me that the world is waiting for me.

YOU ARE AWESOME!

THE TWO-STEP PROVEN TECHNIQUE TO TRANSFORM A NEGATIVE COMMENT.

KEYNOTES & WORKSHOPS

Step ONE

Repeat the negative comment you just heard in the past, using: "We used to..."

Your brain hears it. It is true. And then it wonders: "Are we done with this? Why are we talking about it in the past?"

Step TWO

Follow Step One by a Progressive Statement that starts with: "We are willing to learn..." or "We are in the process of..."

Example 1:

You hear your co-worker say: "We're so slammed with way too much work all the time."

Step 1: We used to be slammed with way too much work all the time."

Step 2: "Now, we need to learn how to change that."

Example 2:

You hear them say: "I don't know, I am stuck."

Step 1: Immediately tell them: "You used to be stuck."

Step 2: "Now, you are in the process of learning how to get out of this."
